

Forest Hill Elementary

Dear Room Parents,

Hello! Thank you for volunteering to be a room parent this year! Your commitment as a room parent contributes greatly to the success of Forest Hill Elementary School.

As a room parent, you will be responsible for recruiting volunteers for various PTO functions when necessary, coordinating with your teacher on various classroom activities, and communicating with the parents in your classroom about school wide and classroom events. This of course is going to look slightly different this year! The main goal is to be ready and available for your teacher when they are in need!

Please introduce yourself to your teacher and establish a line of communication. Find out how your teacher communicates best and how you can help them have a fantastic year. Introduce yourself to your classroom parents and get to know their gifts and talents (vocations can be guest to speak, crafty ones, chaperones, etc.) Allow all parents to be involved and post sign ups with plenty of time for parents to prepare. I will provide several examples along the way and if you ever need help, please reach out to me!

You are a valuable part of the Forest Hill Community and a positive influence on your teacher, classroom parents, and students. Communication will be your best friend! Thank you again for your support and have a great year!

Sincerely,
Katie Gabb
